Hello Everyone

It looks like everything is in order and we are ready to go!

PLEASE REMEMBER THIS IS A FUN LEAGUE AND OUR INAUGURAL SEASON.

I am sure there will be a few growing pains and comments and suggestions are always welcome.

The league is sponsored by MOSON-COORS who graciously donated all the boards and bags and only MOLSON beer products will be available (along with liquor and non-alcoholic drinks). We also plan to sell some food (hot dogs). No outside food or drink please.

One clarification as there have been some questions and confusion:

Each game will consist of a total of 8 players throwing. 4 players from your team and 4 players from the opposing team. (2 from each team at EACH end.)

- Team/Contact list is attached.
- Schedule is attached.
- We have not allowed for any make up dates. If you are going to be short, beg, borrow, or bring someone to fill in.
- Any cancelled night (weather, etc) will not be made up.
- We are not playing on the following dates: Oct 31 (Halloween), Dec 26 (Boxing Day), Mar 12 (March Break)
- Waiver sheets will need to be signed by each player on their first night of attendance.
- Rules are attached. 1 update: 3 points awarded in case of forfeit. We may adjust when we see the average number of games per hour.
- PLEASE BE READY TO START ON TIME.
- When the 55 minute timer sounds, finish the current round of bags and if the leader has over 11 or more points the game counts. 10 or less it doesn't
- All wins are counted for both teams. Please record your score before you leave.
- There will be a 50/50 draw each week for \$25 which was prepaid with registration. All registered players are entered and can only win once.

Let's have a fun season and see everyone on October 3rd!

Glenn & Ken
